## Jubilee Place

---

*Just outside Jubilee's 'back door', City of Trail park and gardens with a view of the Columbia River.*

*Common rooms are conveniently located on each floor. This larger common room is on the main floor.*

**Jubilee Place** is a 35-unit, three-story apartment building located in the heart of the City of Trail.

Apartments are designated for low-income seniors. Jubilee Place is non-smoking and a no-pets building.

Each apartment is a self-contained unit with a combined living/dining room area, kitchenette with refrigerator and stove, bedroom, bathroom, storage area and a small patio or balcony.

Coin operated washers and dryers are provided on each of the three floors.

There are common areas on each floor with a larger common room on the main floor. Each is equipped with comfortable entertaining areas to interact with friends and neighbours.

Location, location, location! Yes! Jubilee Place has it! Step out the front door and you have the Royal Theatre, Charles Bailey Theatre, Community Centre including a senior's centre, shopping, doctor offices and restaurants.

Jubilee Place is located along the Mighty Columbia River with a beautiful river walkway just steps away. There are great river views and lovely flower beds in season.

If you have a vehicle and need parking, we do have limited assigned parking spaces. As well, there is a convenient drop-off area directly at the front door. Our building is beautifully maintained by two building managers and overseen by a Board of Directors incorporated as a non-profit Society.

If you are a low-income, independent senior (or couple) and a current resident of British Columbia, this may be the home for you!

Please call to inquire. Tour requests are welcome by appointment. We may be reached between 10 and 4 p.m. Monday to Friday.
